From the President

What a great Spring we have had. We had numerous activities including some great drives to interesting destinations as well as our two drivers education events. Now that Summer has arrived, we continue to plan activities throughout the Summer and Fall. All we need is for you to join us!

We started our Spring off with a drive to the Arkell Museum in Canajoharie. Our Zone 1 Representative Botho von Bose made the trip down from Canada to join us as we drove around the Great Sacandaga Lake, on our way to the museum. Our group was given a private tour of the museum where we learned about the magnificent artwork as well as the history of the Beechnut company. Our next drive was out to Utica to see the amazing car collection of Alan Rosenblum. We were in awe of the quality and diversity of cars Alan had in his collection. This will be one place we will surely visit again! In May, we headed to the southern Berkshires of western Massachusetts and took a short hike to Bash Bish Falls, the highest waterfall in Massachusetts. From there we drove northwest to Chatham where we toured the facilities of the Equine Advocates Safe Home Equine Rescue & Sanctuary. Susan Wagner, the president of the organization, welcomed our group and gave a brief talk about their mission. Then we had the pleasure of interacting with some beautiful animals, while we walked the grounds.

In the beginning of June we headed back to Massachusetts to tour the art gallery of local artist Andrew DeVries. Andrew talked to members about the bronze sculpting process and showed us some of his amazing sculptures. We finished off the month of June with our Annual Picnic and Concours. We had 30 cars and over 70 people in attendance this year. Which is by far the largest turnout we have had in a long time. We had a nice mix of newer members, long standing members and even a few brand new members (one even joined PCA the day before the picnic). I ask that you look at our upcoming calendar of events and make plans to join us on one of our many drives coming up this summer.

As many of you know, we have reduced the number of driver education events we are hosting this year. Despite the reduction, we had two great days at Lime Rock Park in April. Our advanced day on Friday followed by a beginners day on Saturday. The turn out for the advanced day was good, but Saturday's attendance was outstanding. The green run group was sold out and we had a waiting list of 20 green students. We shared the two days with the Club at Lime Rock and in talking to both advanced and novice drivers, most everyone was pleased with the way the event ran. Our Cups and Saucers Advanced DE at Watkins Glen in May, was well received this year. We had over 80 drivers in attendance, and they all had plenty of track time. Many drivers took advantage of the professional coaching from Scott Leader of Speed Secrets. We are looking at adding another date at Watkins Glen next year, which we will share with our friends in the Central New York Region. Our region had a great showing at the Zone 1 48 Hours of Watkins Glen drivers education event. We had 16 members in attendance, with ability levels ranging from first timers right through to seasoned instructors. We had two fantastic days of track time (instructors had three), with only one session getting rain. Saturday

“Our region was able to raise over \$900 for this worth while cause.”

night a number of us got together at the Seneca Lodge for dinner and sharing stories of our day on the track. I am looking forward to seeing more of our members at drivers education events throughout the rest of the year.

I would like to thank all the members who donated to the Give 2 the Troops charity. Our region was able to raise over \$900 for this worth while cause. We have passed the scrapbook on to the next region and it will make its way across the country and back as PCA tries to reach the goal of raising \$25,000.

I hope everyone enjoyed their 4th of July holiday weekend. I hope to see you at one of our monthly meetings, drives, or at the track.

Hudson Champlain Porsche Club Weekend Getaway in Lake Placid, NY

Saturday & Sunday, September 18th & 19th, 2010

The Hudson Champlain Region PCA has planned a wonderful overnight trip to the beautiful and historic town of Lake Placid, for our members.

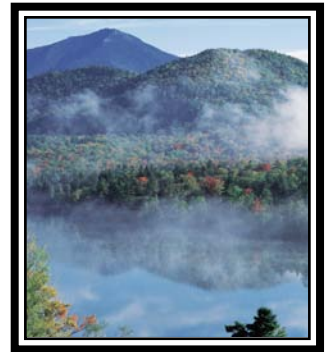

New York's Olympic Region is one of the great playgrounds of North America, offering year-round fun and excitement. Nestled in the northeastern portion of the Adirondack wilderness of New York State, the rugged mountain scenery, heavy winter snows, and a pleasant summer climate combine to make the Lake Placid region a popular tourist year-round resort. The Olympic facilities used for the 1932 and 1980 Olympic Winter Games, Highfalls Gorge and other tourist attractions make this area fabulous for vacations!

The club has reserved 30 rooms at the Crowne Plaza Resort Hotel Lake Placid; the ideal, year-round resort destination when you're looking for unsurpassed service,

spectacular views of Mirror Lake and Whiteface Mountain and an unmatched range of amenities in the Adirondacks.

The town of Lake Placid is within walking distance from the hotel and offers a variety of restaurants, shopping and art galleries. The club has also scheduled a few scenic drives around the various lakes and mountains, east and west of Lake Placid. One scenic tour will include a drive up the Whiteface Mountain Veterans Memorial Highway, almost to the summit of the 5th highest peak in the Adirondack Mountains. There will be an elevator ride to the actual summit for a breathtaking panoramic view of the Adirondack high peaks.

Interested Club Members must:

Contact Crowne Plaza Resort Lake Placid directly to make their hotel reservations. The Porsche Club has reserved 30 traditional rooms for 90 days (by July 30) at a special club rate of \$179.00 plus 10.75% tax. Porsche Club members may phone in reservations by calling 518-523-2556 or 1-800-874-1980. You must identify yourself as the Hudson Champlain Porsche Club member to receive the group rate.

The club will also gather for a group dinner at the resort on Saturday evening at a price of \$50 per person (includes tip and taxes). The dinner reservation and payment must be sent to Keith Antal at 13 Knollwood Drive, Valatie, NY 12184. Checks should be made out to HCP-PCA. If you have any questions regarding the trip please contact Keith and Donna Antal at activities@hcp-pca.com.

Alan Rosenblum's Auto Collection

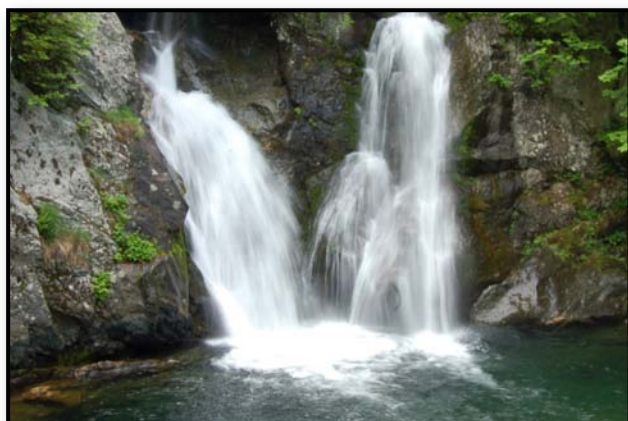

A beautiful 1989 Speedster done in guards red over black, sits next to a 993 twin turbo.

Alan's collection had a little bit of everything, from modern super cars to European and American classics.

Everyone spent hours admiring the cars before we headed to lunch.

Bash Bish Falls & Equine Advocates

We had a great day for a drive and short hike to Bash Bish Falls.

After a delicious lunch in Chatham we arrived at Equine Advocates for a tour of their facilities

A few of the beautiful horses at EquineAdvocates greeted us once we arrived.
